

2nd Announcement

PAWEES 2012

International Conference on "Challenges of Water & Environmental Management in Monsoon Asia"

27-29 November 2012, Thailand

International Society of Paddy and Water Environment Engineering (PAWEES)
Faculty of Engineering, Chulalongkorn University (CU)
Faculty of Engineering at Kamphaengsaen, Kasertsart University (KU)
Royal Irrigation Department (RID)

Aims and Scope

The objective is to provide a platform for researchers, scientists, practitioners, and policy makers to share and present new advances, research findings, perspectives, and experiences in Paddy and Water Environment and related disciplines. Special attentions will be given to developing certain skills or competence, or general upgrading of performance ability for climate change adaptation, participatory irrigation and environmental management, and sustainable development in irrigation and drainage in the monsoon Asia.

The conference will bring together leading researchers, engineers, scientists, and officials in the domain of interest from around the world. Topics of the conference are:

- ❖ Climate Change and Uncertainty
- ❖ Participatory Management for Irrigation Projects
- ❖ Emerging Technologies in Water Management
- ❖ Environmental Sustainability in Paddy Irrigation and Drainage

Call for papers

Authors are invited to submit abstracts and/or papers to a scientific committee of the conference who will be responsible for evaluating the submitted abstracts and papers. The notification of acceptance will be dispatched after the decision making from the scientific committee. The authors of accepted abstract and/or papers are then requested for full papers. Only accepted papers will be published in the proceeding.

About 10 selected full papers will be published after peer-review in the international journal of PADDY AND WATER ENVIRONMENT (ISSN print edition: 1611-2490; ISSN electronic edition:1611-2504) free of charge. The proceeding can be collected at the registration desk.

Language

The official language of the conference will be English. All abstracts, papers and posters should be submitted in English.
