

Decision -/CMP.10

Outcome of the work programme on modalities and procedures for possible additional land use, land-use change and forestry activities under the clean development mechanism

The Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol,

Affirming that the implementation of land use, land-use change and forestry activities included under the provisions of the Kyoto Protocol shall be consistent with the objectives and principles of, and any decisions taken under, the Convention and its Kyoto Protocol,

Recalling decisions 5/CMP.1, 6/CMP.1 and 16/CMP.1,

Having considered decision 2/CMP.7,

1. *Requests* the Executive Board of the clean development mechanism, in the context of the work programme referred to in decision 2/CMP.7, paragraph 6, to assess the applicability of the modalities and procedures contained in decisions 5/CMP.1 and 6/CMP.1 to project activities involving revegetation, based on the definition contained in decision 16/CMP.1 annex, paragraph 1(e), including in areas with agroforestry and silvopastoral practices where the established vegetation is not likely to reach the forest thresholds selected by the host Party under decision 5/CMP.1, annex, paragraph 8, in the event that such project activities would be eligible under the clean development mechanism;
2. *Requests* the Executive Board of the clean development mechanism to report to the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol, at its eleventh session (November–December 2015), on the outcome of the assessment referred to in paragraph 1 above, including an indication of sections of the modalities and procedures in which modifications would be needed in respect of the project activities referred to in paragraph 1 above;
3. *Requests* the Subsidiary Body for Scientific and Technological Advice, in the context of the work referred to in paragraph 4 below, to consider the report of the Executive Board of the clean development mechanism referred to in paragraph 2 above at its forty-third session (November–December 2015);
4. *Requests* the Subsidiary Body for Scientific and Technological Advice to continue, under the work programme referred to in paragraph 1 above, its consideration of additional land use, land-use change and forestry activities under the clean development mechanism at its forty-fourth session (May 2016), with a view to recommending a draft decision on this matter for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol at its twelfth session (November–December 2016).
